Continued Unsettled, With Occasional Showers Tonight or Tuesday. For the District of Columbia, Mary-

and and Virginia, continued unsettled weather, with occasional showers to-night or Tuesday; light to moderate Maximum temperature past twenty-

four hours, 83; a year ago, 82.

Showers have continued in the central valleys, the lake region, the east and south, and in the northwestern states, A decided rise in pressure in the north-west is attended by much more moderate temperatures that by Monday night will

reach the central plains states and the Missouri valley, where abnormally high temperatures were recorded Sunday, Dodge City and Wichita, Kan., reaching 108 degrees. The weather will continue unsettled and showery tonight and Tuesday from the upper Mississippi valley and upper lake region eastward, but in the south

there are prospects of generally fair weather after a week of persistent, and requently heavy showers. The winds along the New England and middle Atlantic coasts will be moderate southeast to south; on the south Atlan- attitude. Capital Traction at 1271/2 and eight shares tic coast moderate south to southwest; on the east gulf coast light to moderate southerly.

Steamers departing today for European ports will have moderate southeast to south winds with unsettled weather to the Grand Banks. The following heavy precipitation (in inches) has been reported during the last twenty-four hours: Corinth, 1.28; Fort Wayne, 1.88; Nashville, 2.30; Springfield, 1.60; Sioux City, 1.30; Tatoosh Is-i, 1.02; Cumberland, Md., 1.35; Flor-

ence, S. C., 1.50; Waycross, Ga., 2.40.

were on the program for tonight.

Taft and Roosevelt Asked to Ad- navy yard, Boston. dress Conservation Congress.

Former President Roosevelt and President Taft have under consideration invitations to speak at the next National Conservation Congress, to be held in Kansas City September 25, 26 and 27. Themas R. Shipp, executive secretary of the congress, returned yesterday from Oyster Bay, where he urged Col. Roosevelt to address the congress. President Taft had been invited previously. According to Mr. Shipp, the congress hopes to bring together at this year's meeting the greatest gathering of farm-

Forestry, public lands, minerals, waterways, public health, soil fertility and other phases of the conservation question will be discussed at the meeting.

Headquarters of the congress, under the direction of Secretary Shipp, will be moved from here to Kansas City within the next two weeks.
